

Board of Education President Commends Class of 2021

As the current president of the Palm Springs Unified School District's Board of Education, it is an honor and a pleasure for me to extend heartfelt congratulations to PSUSD's Class of 2021 on behalf of our Board.

Every class of graduates is special in its own right. Each senior class has its own unique traits and characteristics based on the times and the people. This year's class of graduates have - without a doubt - faced challenges that no other class before them has faced.

This year's senior class had their junior year cut short due to the necessity to physically shut down our schools in March of last year because of the COVID-19 pandemic. No one expected that this shutdown would last through most of your senior year as well. While our administrators, teachers and support staff provided an exemplary program in both academic and enrichment arenas through virtual platforms, there are very few who would argue that the year was fraught with continuous frustrations around students not being able to participate in activities such as sports,

theater, band and other clubs and extracurricular events, as well as not being able to be on school campuses with staff and friends.

For our graduates, the disappointments and frustrations were even greater; you missed out on senior year milestone events and activities that only come around once in a lifetime. You did not get to experience the traditional senior sunrise and sunset, homecoming and prom to name just a few. We all wish we could have a "redo," but of course that is not possible.

At the same time, as the rest of us empathize with the roadblocks that were placed in front of our senior class, we are truly inspired by your creativity, resiliency and "can do" attitudes. You and your classmates were handed a ton of sour lemons. You took those and made the sweetest batches of lemonade imaginable. Seeing and hearing about some of the many ingenious examples of virtual celebrations and gatherings to make up for the in-person activities that could not happen has been so inspiring to not only your fellow classmates but the underclassmen at your

schools as well as our elementary and middle school students as well.

Now that there is light at the end of what has been such a dark tunnel for too long, we are so glad that you have been able to salvage a bit of the senior year traditions including modified in-person commencement ceremonies for those who felt comfortable participating. And so, on behalf of our Board of Education, I want each of you to know that we could not be any prouder of this extra special class and wish our PSUSD class of 2021 the very best of health and success in whatever comes next. You have already proven that you can conquer the unimaginable. We have no doubt you will continue to do exactly that no matter where the next part of your journey takes you. Congratulations!

MESSAGE FROM THE SUPERINTENDENT

Dear PSUSD's Class of 2021:

Writing this message to this year's graduates is extra difficult for me. Through the course of my career in education - and especially in my role as Superintendent for the past several years - I have written quite a few messages and delivered quite a few speeches to graduating classes, all of which have been special and distinctive in their own way. This year is, without a doubt, the most challenging congratulatory send-off I have ever scribed for several reasons. One is because this will be the last one of these messages I will write, as I will be retiring in just a few short weeks as Palm Springs Unified School District's Superintendent of Schools. More importantly, the class of 2021 has experienced a year unlike any class before them and more than likely any class succeeding them.

No doubt this year's graduates are brimming with thoughts and emotions that run the gamut from sadness and frustration to happiness and anticipation with a huge

range in between. I hope that what rises to the top are feelings of extreme pride as you reflect upon what you have been able to accomplish despite the roadblocks that were thrown in your path due to the COVID-19 pandemic. Your senior year was anything but traditional, and the class of 2021 has had to miss so many of the activities and milestone events associated with preparing for graduation. Your teachers, principals and all of the PSUSD administration and Board of Education members share in your feelings of disappointment and wish that the pandemic didn't necessitate closing schools and canceling so many of your senior year events. Thankfully the situation improved enough that you were able to have an in-person commencement ceremony, albeit with modifications to some of the traditions in order to maintain health and safety precautions as we navigate through toward COVID-19 in the rearview mirror.

I hope that as you reflect upon your high school years and -- in particular -- the last quarter of your junior year and most of your senior year, you feel as proud of yourselves as all of us here in PSUSD are of you. You have all displayed incredible

resiliency, perseverance and creativity during this most difficult time, and now as you prepare for the next chapter of your lives -- whether it be college, career or military -- you should all be extremely proud of what you have accomplished, especially during what will likely be the most challenging time you'll ever experience. We wish each of you the very best of success in whatever comes next for you.

As I prepare to conclude 34 years in this great field of education, I feel so fortunate to have spent the past five years in this district -- one that is filled with staff members and a Board of Education who could not be more committed to supporting our students in any way possible. As you remove forward, remember that those same people are here for you now and in the future. Congratulations Class of 2021! You are an exceptional group of people who will no doubt do exceptional things. I wish you all the best.

Sincerely,

Sandra Lyon, Ed.D.

Summer Learning Opportunities Continue Through End of July

Summer academic and enrichment programs began right after the 2020-21 school year concluded two weeks ago, providing many District students with opportunities to close learning gaps as a result of Distance Learning during the pandemic. Several programs began in June and continue through the end of July. There are also a few other programs that begin later this month or in July.

The Family Engagement Center is hosting "Family STEAM Kindy Camp" June 21 to 25 from 4:30 to 5:30 p.m. or 6 to 7 p.m. at the Desert Hot Springs Family Center. A similar program is being held at the Palm Springs center June 28 to July 2 but is already full. Each day of the week, activities will focus on a particular area. Monday will be Science. Tuesday will be Technology. Wednesday will be Engineering. Thursday will be Art and Friday

will be Math. To register (space permitting for the Desert Hot Springs camp) visit: bit.ly/steamkindycamp or call (760) 416-1374.

The Family Engagement Center is also hosting a Junior Black Achievers (JBA) Family Summer Session June 23 and July 7 at the Palm Springs Center and June 30 and July 14 at the Desert Hot Springs Center, all at 5 p.m. Students in elementary and middle school and their families are invited to join in this first summer session that will include academic and cultural activities including Black history lessons, family fun, and meeting new friends. To register, visit bit.ly/jbasummer21. For more information, call (760) 416-1374 or email jba@psusd.us.

Other programs for parents are also scheduled during the month of July. The overview class of the next "7 Habits of Successful Families" series will be held on July 20 at the Palm Springs Center at 333 S. Farrell Drive and July 27 at the Desert Hot Springs Center at 11625 West Drive. ParentVue training sessions will be held on July 22 at the Palm Springs Center and July 29 at the Desert Hot Springs Center. The "Triple P" (Positive Parenting Program), designed to reduce stress and manage problem behavior of children

between the ages of 2 and 12 will be held on Tuesdays beginning July 6 from 1:30 to 3:30 p.m. or July 13 from 5 to 7 p.m. The class will be offered in Spanish as well. To register, call (951) 683-5193.

Several programs will continue through July for District English Learners including Mission Graduate, which provides support for high school students who are behind in credits.

The Summer Bridge program for English Learners in grades kindergarten through eight is being held at both the Palm Springs and Desert Hot Springs Family Engagement Centers weekdays from July 12 to 30 from 9 a.m. to noon. Students are invited to drop by the centers to read, participate in art projects, practice grade-level skills and use robots. Reserve your spot here: <https://forms.gle/nTmHodPqiTzjHxsG8>.

English Learners who will be entering the 9th grade when the 2021-22 school year begins are invited to the Innovation Lab from 8 a.m. to noon July 26-30. The Learning Readiness Program for Transitional Kindergarten, Kindergarten and fifth grade English Learners will be held from July 19-30 weekdays from 9 a.m. to noon. Call (760) 883-2703, ext. 4805032 to confirm eligibility for both programs.

Two theater camps will be presented by PSUSD's Musical Theatre University. "The Drama Club," a three-week acting camp for grades one through six will be held July 6-22 at Rancho Mirage Elementary and will include theatre games, creative activities, storytelling and talent shows. Grades one and two will meet on Mondays and Wednesdays from 10:30 a.m. to noon. Grades three and four will meet on Tuesdays and Thursdays from 10:30 a.m. to noon. Grades five and six will meet on Mondays and Wednesdays from 12:30 to 2 p.m. To register (space permitting), visit: <https://forms.gle/ciHgzNCcaq3nQQ3X6>.

"The Theatre Experiment" for grades seven through twelve will be a two-week, pre-professional level unique and creative acting camp from 1 to 4 p.m. weekdays from July 16 to 16 at Rancho Mirage High. The camp, for all levels beginner through advanced, will include Theatre Sports, improvisation, cold reading, scene study, stage combat and more. Congratulations to PSUSD's Class of 2021!

Here is just a sampling from this year's scholarship awards events honoring our graduates. This year's class amassed nearly \$1.1 million in scholarships (and that doesn't include several full-tuition scholarships and many partial scholarships awarded directly from colleges, universities and/or the military). We commend the efforts of our graduating seniors, and this publication is a tribute to all of you!

On behalf of your PSUSD family, we wish each of you the best of success in whatever path you choose for your futures!
