Congratulations to PSUSD's Classes of 2016!

Here is a sampling from awards ceremonies and graduations from our sites. We commend the efforts of our graduating seniors, and this supplement is a tribute to all of you! We are proud of you and wish each of you success in whatever path you choose for your future!

Board of Education President Sends Best Wishes to Graduates

Dear Graduates: On behalf of the Palm Springs Unified School District Board of Education, I want to congratulate all of our District's graduates on a job well done! We are so very proud of all that you have accomplished over the past 13 years, and we look forward to hearing about all you will accomplish in the future.

For some students, the road to get to high school graduation was a difficult one. Maybe it was juggling studies with extracurricular activities

or work, trying to master difficult subject matter or dealing with family obligations or challenges. Whatever the hurdles, it was far from easy, but you have made it through and are now headed to the next stage in the journey of life. There will, no doubt, be more obstacles placed in front of you as you pursue your future, but you each have the tools and talents to push through these bumps in the road and get to your next destinations.

Whether your next stop is

college, military, trade school or the work world, your Palm Springs Unified family supports you and wishes you the very best of happiness and success in all of your endeavors. Our more than 1,700 graduates have made us so very proud. Way to go graduates!

Shari Stewart
President
Palm Springs Unified School District
Board of Education

Message from the Superintendent

Congratulations PSUSD Class of 2016

As our graduates close the book on their high school experiences and prepare for college or career, I am preparing to close a huge chapter in my book of life as well. After nine years with the Palm Springs Unified School District, I have reached my final week before my retirement. It is always emotional to shake the hands of our graduates as their names are called at the ceremonies. This year, of course, it was even more poignant

knowing that this will be the last time that I have the honor and pleasure of doing this.

I arrived in Palm Springs Unified nine years ago to serve as Assistant Superintendent of Educational Services. I was then blessed with the opportunity to become the Superintendent of one of the finest school districts in the state of California. It has been an incredible final act to an over 40-year career in education. I couldn't be more proud of the students, staff, parents and entire community for the academic and operational strides that have been made and the partnerships formed during this time. I am grateful to the Board of Education for their confidence in me to lead this District during some very challenging economic times, and I am grateful to our PSUSD family of administrators, educators and support staff who stepped up to meet those challenges head on to

move us ahead despite the hurdles.

I leave PSUSD with mixed emotions. I look forward to spending more time with my family and doing some of the traveling I couldn't do until now. At the same time, it will be quite difficult for me to not be a part of the day-to-day work as the District continues to make progress with new and innovative programs, added services and the continued commitment to academic achievement for each of our nearly 23,000 students.

On behalf of the administration and staff of the Palm Springs Unified School District, I want to congratulate all of our graduates and tell you how very proud we are of you and all you have accomplished so far. We wish you the very best of success in your next pursuits – college and/or career – and we have no doubt that you will continue to proudly represent PSUSD and the entire Coachella Valley.

As I prepare to close this chapter of my life book, I want to thank all of our students, staff, families and community members for making me feel welcome, your continuous collaboration and your support of our schools and the District. I have met your incoming Superintendent of Schools, Sandra Lyon, and I am confident that she will take PSUSD to the next level and beyond. Her wealth of experience, reputation and commitment will be a tremendous asset to this already great organization. I look forward to seeing and hearing about the great strides that I know will continue to be made in the future. Thank you all again!

Christine Anderson, Ed.D.
Superintendent of Schools
